

Jose Rivera

Software Engineer

Mercedes, TX · (956) 733-4238 · Joserivera123495@gmail.com

EDUCATION

B.S. Computer Science

Expected 2025

University of Texas Rio Grande Valley

- Relevant: Deep Learning for Medical Imaging, Theory of Computation, Digital Logic, Algorithms & Data Structures

PROJECTS

2D Hero Adventure Game — Senior Capstone

2024 – 2025

Unity · C# · Scene Management · Serialization

- Built a complete 2D action-RPG in Unity with 3 playable heroes, each with unique stat systems and tuned gameplay feel
- Implemented per-hero serialized save/load system preserving progress independently across characters and sessions
- Managed multi-scene architecture (Menu, Adventure, Boss, Training) with persistent state via a singleton GameManager

Skin Lesion Segmentation — Medical AI

2025

Python · PyTorch · U-Net · Computer Vision

- Trained a U-Net CNN for binary semantic segmentation of dermoscopic images; built custom data augmentation pipeline
- Optimized training on Apple Silicon (M-series) with mixed precision; analyzed failure cases across lesion subtypes

Personal App Portfolio

Ongoing

Independent · Various Stacks

- Designed and shipped multiple personal applications across web and mobile, owning full development lifecycle

EXPERIENCE

Apprentice Electrician — SpaceX Starbase

Jun 2025 – Jan 2026

MMR Constructors, Inc. · Brownsville, TX

- Executed industrial electrical work on one of the most technically demanding sites in the country under strict safety standards
- Assisted in real-time fault diagnosis and troubleshooting; documented issues with precision in a zero-error-tolerance environment

Apprentice Electrician

Summers 2022 – 2024

MMR Constructors, Inc. · Corpus Christi, TX

- Installed and maintained electrical systems per NEC standards; conduit bending, wire pulling, and panel work

SKILLS

Languages	Python, C#, C++, Java, JavaScript
Frameworks	PyTorch, Unity, Git, Linux
Concepts	Deep Learning, Computer Vision, OOP, Data Structures & Algorithms
Certs	Texas Electrician Apprentice License
